What do you do after an accident

This page is for your assistance and does not form part of the policy.

Note the registration number of the vehicles involved.

Ask for the names and addresses of other people involved and any witnesses.

Make a sketch plan of the scene of the accident.

Do not admit responsibility or sign any statement to this effect.

If the accident results in damage to another vehicle, an animal, or other property, to comply with the law you must

- stop
- give your name, address and registration particulars of the vehicle (along with the owner's name and address) to anybody requiring the information.

If anyone other than yourself is injured you must show your Certificate to the Gardai or to any other person reasonably asking. If you cannot do this at the time of the accident, report the accident to the Gardai as soon as possible and in any case within 24 hours. You must also show your Certificate to any person reasonably asking, if you have caused damage to another vehicle or property.

Getting your camper repaired

If the damage is covered by your policy

- please arrange to remove your vehicle to the nearest competent repairer and ask for an estimate to be sent to the company as soon as possible.

Excess

Where a damage claim is subject to an excess, it is the company's practice to instruct the repairer to collect the excess from you directly, when the repair is complete.

Telling the Company

Complete and send an accident report form as soon as possible. If you do not have one, they can be obtained from your broker or local office of the company.

Prosecutions

You must let the Company know at once if you receive notice of any intended prosecution as a result of the accident.

It would also help the Company as your insurers to know if other parties involved in the accident are to be prosecuted. Please tell the Company.

Claims made against you by other persons

Send all letters and other correspondence to the company as quickly as possible so that the company can deal with them on your behalf.

Do not admit liability for the accident or make any offer of payment.

In your own interest, you should contact the company if you are asked to give a statement to anyone.

Stolen campers

Please notify the Gardai or Police, if abroad, as soon as the loss is discovered.

If the vehicle is not recovered the company will negotiate settlement of your claim on the basis of the market value in accordance with the policy.

Travelling abroad

Your policy cover applies when travelling in Europe. Please bring your policy booklet with you.

You do not require a green card when you are travelling within the European Economic Area (all EU member countries and Norway, Switzerland and Iceland). Please contact Dolmen insurance Brokers if you are travelling outside of this area.
