3 – Cyber online liability

We will pay any **damages** and **defence costs** arising from a claim first made against **you** by a third party during the **period of insurance** as a result of:

a) Data privacy

You failing to secure, or prevent unauthorised access to, publication of or use of **data** (including any inadvertent interference with any right to privacy or publicity or breach of confidence);

b) Computer virus transmission

You unintentionally transmitting, or failing to prevent or restrict the transmission of, a **computer virus**, **hacking** attack or **denial of service attack** from **your home systems** to a third party; or

c) Defamation and disparagement

Damage to reputation (including that of product) or intellectual property rights being breached as a result of **your** activities online.

How much we will pay

The most we will pay for all claims we accept under this policy in total for the **period of insurance** is the **sum insured**, regardless of the number of claims.

If there is more than one person named in the schedule, the total amount we will pay following a claim will not exceed the amount we would be liable to pay to any one of **you**.

Defence costs

Any **defence costs** we pay will be included within, not in addition to, the **sum insured**.

Paying out the sum insured

For any and all claims arising for the **period of insurance** we may pay the full **sum insured** that applies.

When we have paid the full **sum insured**, we will not pay any further amounts for any claims or for associated **defence costs**.

Conditions

The following conditions apply to the whole of the policy. If **you** do not keep to these conditions and this reduces our legal or financial rights under the policy, we may refuse to pay part or all of **your** claim.

1. Reporting a claim

As soon as **you** know about any incident or circumstance that may result in a claim against **you** or a claim under **your** policy **you** must:

- take all reasonable steps and precautions to prevent further **damage** or other loss covered by **your** policy;
- immediately tell the police about any loss or **damage** relating to crime and get a crime reference number;
- tell the person who arranged **your** policy (or us), providing full details, as soon after the incident or circumstances as possible;
- tell the person who arranged **your** policy (or us), providing full details, within 14 days in the case of you knowing about an incident or circumstance that has resulted in or may result in you receiving a claim against you.

In addition **you** must also:

- immediately send us every letter, writ, summons or other document **you** receive in connection with the claim or circumstance, and record all information relating to a claim against **you** covered under Section 3 - 'Cyber online liability';
- keep any **damaged home systems** and other evidence, and allow us to inspect it;
- co-operate with us fully and provide all the information we need to investigate **your** claim or circumstance;
- give us details of any other insurances **you** may have which may cover loss covered by this policy;
- attempt to recover financial loss relating to **your** claim under Section 2 – 'Cyber crime' from a bank or other financial institution that may be responsible for refunding all or part of the loss; and
- tell us if **you** recover money from a third party in relation to a claim (**you** may need to give the money to us).

You must not admit responsibility or liability, or agree to pay any money or provide any services on our behalf, without our written permission.

2. Fraudulent claims

If **you** (or anyone acting for **you**) make a claim knowing that any part of the claim is fraudulent (dishonest, false or exaggerated), we will not pay the claim and we may cancel **your** policy from the time of the fraudulent act relating to **your** claim and we may keep any premium **you** have paid (see 'Our rights to cancel your policy').

3. Enforcing your rights

We may, at our expense, take all necessary steps to enforce **your** rights against any third party. We can do this before or after we pay a claim. **You** must not do anything before or after we pay **your** claim to affect our rights and **you** must give us any help and information we ask for.

You must take reasonable steps to make sure that **you** protect **your** rights to recover amounts from third parties.

4. Protecting data

You must make sure that **you** take precautions for disposing of and destroying **home systems** in order to protect **data**.

5. Controlling defence

We can, but do not have to, take control of investigating, settling or defending any claim made against **you**. We would take this action in **your** name. If necessary, we will appoint an adjuster, solicitor or any other appropriate person to deal with the claim. We may appoint **your** solicitor, but only on a fee basis similar to that of our own solicitor, and only for work done with our permission in writing. We will only defend claims if we think that there is a reasonable chance of being successful, and after taking the costs of the defence into account.

6. Other insurances

If there is any other insurance covering **your** claim, we will only pay our share, even if the other insurer refuses to pay the claim.

7. Reasonable care

You must:

- make sure that **your home systems** are used and maintained as recommended by the manufacturer or supplier; and
- take all reasonable steps and precautions to prevent or reduce **damage** or other loss covered by **your** policy.

8. Change in risk

As soon as **you** (or anyone acting for **you**) become aware of any change in circumstance which may affect the policy, **you** must tell us of the change. We will decide if the change alters the risk and if we need to change the terms and conditions of **your** policy including the premium. This applies to any change which arises, whether it is before or during the **period of insurance**, including before we renew **your** policy.

If **you** do not tell us about a change, a claim may be reduced or rejected and in some cases **your** policy might be treated as if it never existed and **you** may not be entitled to a refund of premium.

Your cover will not be affected by any change in circumstance which increases the risk covered by **your** policy and which **you** could not

Section nine

have known about.

9. Defence software

Your home systems must be protected by anti-virus software, where available, which is updated regularly in accordance with the provider's recommendations.

10. Contracts (Rights of Third Parties)

Any person or company who is not named in the schedule has no right to enforce any term of the policy, unless under section 21 of the Consumer Insurance Contracts Act 2019 and/or unless allowed by the law applying to this policy

11. Correct information

You must give us correct information. If you fail to do so and:

- **your** failure was deliberate or reckless, we will treat **your** policy as if it never existed, refuse all claims and keep any premium **you** have paid. If **your** failure occurs during a change to **your** policy we will terminate **your** policy from the date of that change, refuse subsequent claims and keep any premium **you** have paid.
- **your** failure was careless and we would not have issued **your** policy had you told us the correct information, we will treat **your** policy as if it never existed and return any premium **you** have paid. If **your** failure occurs during a change to **your** policy we will treat **your** policy as though the change was not made and where appropriate return any additional premium charged for the change. **You** may want to cancel **your** policy if it does not meet **your** needs (see 'Your rights to cancel your policy').
- **your** failure was careless and we would have insured **you** on different terms had **you** given us correct information, we will;
 - (1) alter the terms of **your** policy to those we would have imposed (other than those relating to premium); and
 - (2) reduce the amount paid or payable on any claim in proportion to the amount of additional premium we would have charged.

12. Paying the premium

You must pay the premium on or before the start of the **period of insurance**. If **you** do not pay the premium on time, we may cancel the policy (see 'Our rights to cancel your policy').
