

A claim for total loss by theft under this policy will be listed to £100,000 including all costs and expenses unless

- The stolen vehicle has been fitted with a vehicle security tracking system such that the vehicle's location can be remotely established to an accuracy of 100 meters when the system is operating normally, and
- Any contract necessary for the provision of such tracking services is in force and paid up to date at the time of the loss

In a claim specified by this endorsement the onus of proving that these conditions have been met shall be on the insured.

SUBJECT OTHERWISE TO THE TERMS, EXCPECTIONS, LIMITATIONS AND CONDITIONS CONTAINED IN THIS POLICY.
